

## **VE Day Poem Plan (Sonnet)**

The streets are filled with roars and cheers of crowds,  
Celebration echoes through the city,  
Voices booming as the city is loud,  
The sight of people happy is pretty

It's a day that we need to celebrate,  
For those who endured the hardships of war,  
It's a day for those to celebrate,  
So we can remember them evermore

Children will join hands in the streets today,  
Because there's no threat of a bomb overhead,  
They sing and dance because it's VE Day,  
And tonight they can go safely to bed

So thank you to those who gave up their lives,  
So soldiers can go home to meet their wives
