Dronfield Henry Fanshawe Physical Education Department

How will DHFS PE Department do this?

- **Teach challenging, engaging and active lessons throughout all key stages**
- **Offer tailored and targeted curriculum throughout all key stages including a wide range of examination options**
- **Highlight the huge variety of extra-curricular opportunities available both in and out of school**
- **Regularly reinforce and illustrate the importance of a healthy balanced lifestyle for lifelong health & positive well-being!**

Dronfield Henry Fanshawe Physical Education Department OUR VISION!

**For all students to be inspired to
take part in physical activity. To
develop the skills, confidence,
love & knowledge to participate
in physical recreation when they
leave school in the wider
community.**
