Success with Care

Headteacher: Mr M. J. Cooper

29th September 2021

Dear Parents and Carers,

Educational Visits 2021-2022

Under normal (pre-Covid19) circumstances, all students at DHFS would take part in at least one off-site educational visit each year. Some of these are mass participation events such as the Y7-Y10 annual sponsored walk, the Y7-Y9 sports day at the EIS – Sheffield and the Y7 Christmas carol service. The DfE have given approval for Educational Visits to commence during the Autumn and we are looking at reinstating a number of our established trips during the academic year.

For any off-site educational visit, we are required to obtain consent from parents & carers. To reduce the frequency of the requests for consent forms the school issues an electronic 'Global Consent Form' which will cover all visits in a school year. The detail required is sufficient to cover day visits and residential visits. **It important that you complete all sections of this form even though your child may not have signed up for a specific visit at this stage.** To ensure we are not duplicating information we already hold, all emergency contact information will be used from the SIMS school database which you should regularly check and update through the SIMS Parent App.

This completed consent form will cover participation in all off-site educational visits organised by DHFS. For each of these events you will receive a permission slip along with a letter giving details of the event, as is standard practice. We shall require only a signature from you to acknowledge that a student will be taking part in the off-site activity. On this permission slip we shall ask you to update any medical information that we may need to know before taking the students off site.

For mass participation school events you will be informed by letter of the specific details relating to each event.

If there are any **changes in the details relating to your child during the school year 2021-2022 it is your responsibility to ensure that the school is notified of those changes, preferably via the SIMS Parent App.** Examples may include: change of address, change of telephone contact details, change of email address, changes in child's medical details etc.

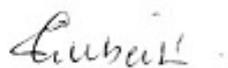

Please complete the short form by clicking the following link [Global Consent Form 2021-22](#) by **Monday 11th October 2021**. Failure to return the Global Consent Form will prohibit your child from participating in any Educational Visit/Off-site Event.

If you have any questions about these arrangements, please contact me at school either by telephone (01246) 412372 or by email cgilbert@dronfield.derbyshire.sch.uk .

Thank you for your help and cooperation with this request.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'C Gilbert', with a small flourish at the end.

C Gilbert
Director of Resources
