

<p>Dronfield Henry Fanshawe School</p> 	<p>Policy No:S11</p>	Author:	CGI/DCC
		Committee:	Statutory
		Review Cycle:	Every two years
	<p>Educational Trips & Visits</p>	Initial Date Adopted:	March 2015
		Latest Date Adopted:	November 2019
		Minute No:	19/37
		Review Date:	September 2021

1. Introduction

Dronfield Henry Fanshawe School acknowledges the immense value and many benefits of outdoor learning and is committed to supporting off-site visits and activities that enrich the learning opportunities of children and young people.

The Dronfield Henry Fanshawe School works within the requirements set out in Derbyshire County Council's Offsite Visits and Adventure Activities Guidance and the Outdoor Education Advisers' Panel 'National Guidance' (both accessible via EVOLVE).

All establishment staff will be made aware of the requirements of this policy and any changes that are made when the policy is reviewed.

2. Roles and Responsibilities

Headteacher

The Headteacher is responsible for ensuring that off-site activities and visits comply with the LA Guidance and this Visit Policy, that all visits are notified or submitted for formal approval as required, that all visits approved can be accommodated within the planned provision and that the ethos of each visit is one with which the Establishment wishes to be associated.

The Headteacher will ensure that the Visit Co-ordinator (VC), Visit Leaders, assisting staff and voluntary helpers are appropriately trained as required and specifically competent to carry out the responsibilities allocated to them for all visits.

The headteacher is Martyn Cooper and the nominated deputy to approve offsite visits in the absence of the Headteacher is Trudie Davies.

Visit Co-ordinator

The Visit Co-ordinator (VC) is a staff member who has received relevant training and induction and is delegated with the following tasks: -

- To grant verbal permission that a leader may plan a visit after deciding that the timetabling and ethos of the visit are acceptable.

- To check and approve that the planning and risk management for visits follows employer policy and guidance, and to liaise with the LA as required.
- To ensure that there is sample monitoring of visits in keeping with the recommendations of employer policy and guidance.

The VC should be specifically competent, ideally with practical experience in leading and managing a range of visits similar to those typically run by the establishment.

The designated VC for Dronfield Henry Fanshawe School is Chris Gilbert who received training in the role in December 2017 and was also the VC at his previous school.

Visit Leader

Visit Leaders will have over-all charge of the visits they lead, which will be effectively supervised with an appropriate level of staffing. They are responsible for ensuring relevant visit information is shared with parents/carers and consent is sought where necessary.

Visit Leaders, assisting staff and voluntary helpers will be appropriately trained as required and specifically competent to carry out the responsibilities allocated to them for all visits.

Details relating to a visit and its participants (including staff) will be accessible to a designated 24/7 emergency contact in case of emergencies.

Governing Body

Under Health & Safety law the employer has primary responsibility for Health, Safety & Welfare of employees and students.

In establishments where the LA is not the employer the Governors will normally hold this responsibility and should be fully aware of the responsibility this entails.

Along with the Headteacher, the Governing Body is responsible for ensuring that visits are approved as required by the establishment visit policy, that all visits approved can be accommodated within the timetable and that the ethos of each visit is one with which the school wishes to be associated.

The Governor responsible for monitoring this policy is Karen Hoyes.

3. Procedures

Staff wishing to plan and undertake a visit (prospective Visit Leaders) will first seek permission from the Headteacher or VC to plan a visit.

Staff should follow the LA and establishment guidance if undertaking 'home visits'. This does not form part of this policy.

Finance

The Headteacher, VC and Visit Leaders should take account of the legal framework relating to charging, voluntary contributions and remissions as set out in sections 449-462 of the Education Act 1996 and detailed in the Charges for Off-Site Activity guidance document.

Staff Induction and Training

All new staff will, as part of their induction into the establishment, be familiar with the local policy for off-site visits and activities and understand their role in managing, planning, leading or assisting with organising off-site visits. All staff will have access to County and national guidance.

The VC will identify any specific training needs and requirements and ensure staff can access relevant learning and development opportunities as appropriate and as required by Derbyshire County Council. The VC will meet any new staff wishing to organise an off-site visit and will explain the organisational and approval procedures for the visit. These procedures will be monitored by the VC as the organisation of the visit progresses.

Visit Approval

The Dronfield Henry Fanshawe School has adopted the Derbyshire County Council system for approval of visits which is based on their being categorised into three broad types:

1. Local low risk single day visits that are regular and routine
2. Day visits and programmes that require enhanced planning
3. Higher risk visits, further field that require detailed planning and leader competence

The [Visit process flowchart](#) provides further detail.

Category 1:

These visits will be regular, routine day activities that are organised in and around the locality, usually on foot.

Regularly repeated visits can be covered by a block annual consent subject to parents/carers being made aware of every visit, especially any involving a return time outside the normal day.

Visits and activities included in this category for this establishment are:

- On-site activity (excluding adventurous activities listed in category 3)
- Transporting young people between multi-site establishments or other local schools/venues
- Regular curriculum delivery at off-site learning provider venues (14-19)
- Visits in and around your base setting on foot (churches, parks, urban centres, sponsored walk)
- Sports fixtures and the annual sports day (involving transport)

These visits should be planned using the establishment specific local visits risk assessment and with approval by the VC and Head. These activities can be covered by an annual blanket consent.

Where there are local activities that are a planned part of the curriculum/routine programme but are dependent upon the right conditions on the day, then the visit leader will sign out before departure leaving relevant information with the base contact.

The specific establishment off-site visits risk assessment (that may also include road transport) covers general supervision of these visits. A review will be required rather than completed a new document each time. Any additions can be documented using the Event Specific Note form.

All other visits: All other visits must be planned and submitted using EVOLVE. Based on the visit types, EVOLVE automatically directs the flow of approval for Category 2 and 3 visits.

Category 2:

These visits are single "one off" day visits or a programme of visits that take place off-site but further field than your base locality and with no element of adventurous activities (as defined in Category 3). These opportunities will usually require transport and could also require some enhanced planning

and risk assessment. Example visits are:

Visits requiring use of transport (urban areas, theatres, social events, places of interest)

Swimming (excluding open water)

Fieldwork visits (not in open/remote country)

Activities at Water Margins (coastal locations & inland waters)

Farm visits

Forest school programmes

These activities will be entered onto EVOLVE and submitted to the VC at least 5 working days prior to departure. Approval is delegated to the Headteacher and visits should be covered by a parental consent form. At Dronfield Henry Fanshawe School parents complete a consent form at the start of each academic year and this is valid for all off-site activities for that school year. For each off-site activity, however, the event leader must obtain a reply slip from parents indicating that information relating to the visit has been received and that they agree to their child's participation in the event. On this same form parents are able to note any changes to the medical information relating to their child.

For a programme of regular visits to similar destinations, one single visit form can be completed, with the relevant dates selected and can be covered by the annual blanket parental consent form. The specific establishment local visits risk assessment (that also includes road transport) will cover general supervision of the visit. A review will be required rather than completed a new document each time. Any additions can be documented using the Event Specific Note form.

If a visit is planned to a higher risk environment, the appropriate Safe Working Procedure document should be reviewed, amended and completed for your specific visit. This will then be attached to the EVOLVE record, prior to submitting to the VC and Head for approval.

Certain activities will require staff to hold specific qualifications or competencies before being able to deliver sessions. e.g. forest school. Relevant qualifications will be added and uploaded to EVOLVE. These activities will not be undertaken unless there is a sufficient number of suitably qualified staff to deliver them.

Category 3:

Approval from the Local Authority (LA) will be required for all overseas visits, residential visits and those which include adventurous activities, be it provider or establishment led. The EVOLVE system will automatically pass such identified visits to the LA for approval after first being checked by the VC and authorised by the Headteacher. For each off-site activity the event leader must obtain a reply slip from parents/carers indicating that information relating to the visit has been received and that they agree to their child's participation in the event. On this same form parents/carers are able to note any changes to the medical information relating to their child. An example of the reply slip is given at the end of this policy document.

Overseas visits and DofE expeditions will be submitted to the LA **four working weeks** before a visit is set to take place. **Other visits requiring LA approval require two working weeks' notice.** Approval notification via email will automatically be sent out (from EVOLVE) as soon as possible up to two working weeks after receipt of the visit form.

A member of staff intending to lead (as opposed to supervise) an adventurous activity, must be specifically approved by the LA to do so via the EVOLVE Leader Approval Request function.

When external providers are used it is a requirement for their safety management to have been verified either by completion and return of a Provider Form or verified by holding an appropriate national accreditation. Providers will not be used until they have been 'vetted' by the LA.

4. Risk Management

The risk management of an activity is normally carried out by visit leader and assistants with the support of VCs as required. Risks are expected to be reduced to an acceptable or tolerable level, but not necessarily eliminated.

Planning should achieve a rational balance between potential adverse risks and the intended benefits and outcomes of the activity.

Dronfield Henry Fanshawe School recommends a 'risk-benefit assessment' approach, whereby the starting point for any risk assessment should be a consideration of the targeted benefits and learning outcomes.

This appreciation of the benefits to be gained through participating provides objectivity to a decision that any residual risk (i.e. the risk remaining after control measures have been put in place) is 'acceptable'. HSE endorses this approach through their 'Principles of Sensible Risk Management' and advocates that it is important that young people are exposed to well-managed risks so that they learn how to manage risk for themselves.

There is no legal requirement to produce a risk assessment in a particular format; but there is a legal requirement for the process to be recorded and for suitable and sufficient control measures to be identified for any significant risks i.e. those that may cause serious harm to an individual or harm several people.

Dronfield Henry Fanshawe School staff will adopt and adapt the risk management materials available through EVOLVE to ease the burden of bureaucracy that might otherwise discourage leaders from making full use of educational visit learning opportunities.

A copy of the establishment generic visits risk assessment is located in the EVOLVE resources library on the Dronfield Henry Fanshawe School server - F Drive in a folder named Educational Visits (Faculty Data>Whole School> Educational Visits) and blank copies of the Event Specific Notes form can be downloaded from the same location.

5. Monitoring

The arrangements for monitoring off-site visits within Dronfield Henry Fanshawe School will be undertaken by the VC.

6. Insurance

Appropriate insurance must be in place for all visits.

The responsibility for arranging adequate insurance cover rests with the Headteacher in conjunction with the organiser of each journey.

As an employer, in addition to the standard public liability cover which all establishments will have in place, Derbyshire County Council offers LA Schools the opportunity to buy into an annual 'blanket' personal accident cover / travel insurance, provided through AIG, covering any off-site activities and overseas travel ventures. Dronfield Henry Fanshawe School has taken advantage of this offer.

It is the responsibility of the Governing Body, Headteacher and VC to determine whether any additional insurance should be taken out. Insurance at DHFS is provided by via DCC.

AIG Insurance. Policy No: 0010627711

7. Inclusion

Under the Equality Act 2010, it is unlawful to treat a young person less favourably and/or fail to take reasonable steps to ensure that disabled persons are not placed at a substantial disadvantage without justification.

Dronfield Henry Fanshawe School endorses the principles of:

- a presumption of entitlement to participate
- accessibility through direct or realistic adaptation or modification
- integration through participation with peers

Adjustments made to include a disabled child or young person should not impinge unduly on the planned purpose of the activity.

Expectations of staff must be reasonable, so that what is required of them (to include a given young person) is within their competence.

Behaviour

Dronfield Henry Fanshawe School encourages the use of codes of behaviour conduct as a means of establishing appropriate expectations of the behaviour of school students. Such codes will be explained both to the students and those with parental authority prior to a visit, so reducing the opportunity for misunderstanding both expectations and the sanctions that may be invoked where a code is breached.

Whilst inclusion of young people and adults on offsite visits will be the norm at Dronfield Henry Fanshawe School, this will not be the case where health and safety of the individual or other group members would be significantly compromised. Visit Leaders will ensure that they consult the LA and parents/carers well in advance of the visit where inclusion is an issue.

8. Evaluation

To ensure that rigorous evaluation of each visit can take place, visit leaders must have reached a clear understanding of the learning outcomes they hope to achieve. Given that most outdoor learning, off site visits and activities have the potential to deliver a very wide range of benefits and outcomes, the visit leader and staff team are to agree how the Learning Outcomes are to be **prioritised** in the early stages of the planning process and documented on the EVOLVE record. Each identified outcome can be evaluated and recorded using EVOLVE.

9. Emergency Procedures

The risk management for each visit will identify the relevant emergency procedures during the visit. For any off-site visit a home contact will be designated by the establishment who may be needed as a link between the party, the parents/carers, the establishment and the County Council in the event of an emergency. The home contact must be an employee, be unrelated to anyone attending the visit and be confident in providing support in a crisis.

For visits that take place outside normal establishment hours:

Visit Leaders must carry at all times full details of all participants (students, staff and volunteers). These details must include contact details by telephone (Mobile and landline) of all participants, addresses of all participants, dates of birth and medical information of all participants.

Visit Leaders should carry also full contact details for home-based emergency contact (telephone contact details).

Dronfield Henry Fanshawe School has a well established critical incident action plan that can be used in the event of an emergency during a visit.

In the event of a delay in retuning (of more than 1 hour), or of an incident resulting in harm to any attending participant, staff member or volunteer, then the establishment must be contacted as soon as possible to inform the Headteacher or designated deputy so that they can decide: -

- A. If the incident is of a less serious nature then the next of kin or parents of those affected will be informed about what has happened (e.g. that the party will be returning late or that an incident has befallen a party member) and the action that has been taken so far. In appropriate circumstances the Visit Leader will be designated to undertake this task.
- B. If the incident is very serious to contact Derbyshire County Council using the emergency contact phone number and details given below:

The emergency contact phone number for Derbyshire County Council during office hours is 00-44-1629-538364 or outside office hours 00-44-1629-533085. This is the number for Call Derbyshire. Upon connection, please ask for the Emergency Planning Duty Officer. Please note that calls to the numbers above are to be used only in extreme circumstances, such as serious injuries and/or fatalities. Under no circumstances should these numbers be given to young people or to their parents or carers.

10. Accident Reporting

All accidents will be handled in line with Derbyshire County Council's Accident Reporting Procedures. Accident Forms and other related documents are available in the Resource section of EVOLVE – Guidance and in the EVOLVE resources library on the Dronfield Henry Fanshawe School server F Drive in a folder named Educational Visits (Faculty Data>Whole School> Educational Visits). Where an incident or accident occurs on an activity led by a Provider, please ensure this is reported to the LA Visits Team.

VISITS PROCESS FLOW CHART

Category 1

Regular and routine day visits and activities with no additional significant hazards

- * On-site activity (non-adventurous)
- * Sport Fixtures
- * Visits in and around the establishment locality
- * 14-19 multi-site delivery
- * Multi-establishment delivery

Follow Establishment Visits Policy + Blanket Parental Consent

RISK ASSESSMENT
Establishment Specific Local Visits risk assessment reviewed

NOMINATED LOCAL MANAGER APPROVAL

Category 2

Day visits (inc programmes) with no adventurous activity

- * Visits requiring transport
- * One-off visits
- * Visits requiring enhanced planning:
 - Swimming (excluding open water)
 - Activities at water margins- Inland
 - Activities at water margins-Coastal
 - Farm visits
 - Forest School

Plan and record on EVOLVE

NO Additional Hazards

RISK ASSESSMENT
Establishment Specific Local Visits risk assessment reviewed
+ Transport SWP

NOMINATED LOCAL MANAGER APPROVAL (EVOLVE)
(Headteacher, Centre Manager, Service Manager)

Identified Additional Hazards

RISK ASSESSMENT
